

GutterShed™ List Prices for Under-the-Eaves Gutters

1. GutterShed Plates, 4 foot long, 8" wide, with linear crease in middle
\$16 per plate*

Shipped in packages of up to 25 plates

Note: we recommend measuring the total length of gutters to be covered and then adding purchase of 10% more length in GutterShed plates to allow for cutting the plates at gutter corners.

2. GutterHooks, bags of 25 (two Hooks recommended for each 4-foot plate)
\$10 per bag*

3. Shipping by UPS

Depends upon number of plates purchased and your location. Cost will be determined after receiving your order. Up to 25 plates per package, each plate weighs approximately one pound.

4. Payment

Through PayPal, or by check. Ordering NOW AVAILABLE directly through guttershed.com, with shipping charges calculated automatically.

5. Guarantee

If properly installed, GutterShed will protect your gutters and drainspouts from clogging, and the surface of GutterShed will not need cleaning. We guarantee these features. If at any time up to 10 years after your purchase if you send us a picture confirming proper installation of all the GutterShed plates, *and* a clogged gutter or drainspout below one of them, we will refund the purchase price of your GutterSheds.
